## CLP Management Visits Huawei Headquarters

CLP Power Hong Kong Limited (CLP Power) management recently visited the Bantian headquarters of Huawei Technologies Co., Ltd. (Huawei) in Shenzhen. They had exchanges with Mr David Sun, Vice President of Huawei and CEO of Electric Power Digitalization BU, and Mr Denny Deng, Chief Executive Officer of Huawei International Co. Limited, regarding the application of and latest developments in innovative and smart grid technology.

CLP Group Chief Executive Officer – Designate, Mr T.K. Chiang, said, “Safe and reliable power supply is an indispensable part of the development of smart cities. CLP Power is committed to leveraging digital technology to provide our customers with environmentally friendly, smart and customer-centric power supply. We regularly engage in exchanges with and learn from companies in different regions and sectors to deepen our understanding of the latest technological innovations in the market and strive to make CLP Power a “Utility of the Future”.”

CLP Power management visited the Enterprise Digital Transformation Exhibition Hall and Digital Power Innovation and Experience Center at the Huawei Bantian headquarters to understand the application of big data, cloud computing and the Internet of Things in the innovative field of the power industry.

### **About CLP Power Hong Kong Limited**

CLP Power Hong Kong Limited (CLP Power) is the Hong Kong utility subsidiary wholly owned by CLP Holdings Limited, a company listed on the Hong Kong Stock Exchange and one of the largest investor-owned power businesses in Asia. CLP Power operates a vertically integrated electricity supply business in Hong Kong, and provides a highly reliable supply of electricity and excellent customer service to more than six million people in its supply area.
