

All For You

Give your brain a boost, earn Domeo Points, and enjoy rewards every day! The CLP Eco Fun mini game will soon be levelled up with the launch of the brand-new “Brain Buddy” Island on 1 September 2026!

This new island brings together brain challenges and health knowledge in one fun and easy-to-play experience. As you play, you can train your memory, focus and logical thinking, while learning more about cognitive health along the way. Even better, you can earn up to 5 Domeo Points when you complete the games and answer the daily quiz correctly for the first time each day.

Memory Match: A Fun Test for Your Eyes and Mind

Flip the cards, remember the pictures and their positions, then match the same pairs as quickly as you can. This simple and enjoyable game takes just a few minutes to play, making it a great daily challenge to sharpen your memory, improve your focus and keep your mind active.

Connect the Wires: Think Fast and Power Up!

Look carefully at the missing parts of the circuit, choose the right cable pieces and rotate them into place. Once the circuit is connected, the appliance will power up again. Each level brings a fresh challenge, so get ready to think, plan and complete your mission!

Brain Performance Tracker: Track Your Progress

Want to see how far you have come? Visit the Brain Performance Tracker to check your overall results and average performance across different games. You can also compare your latest results with your past records. See how your performance changes over time and set a new goal for your next challenge.

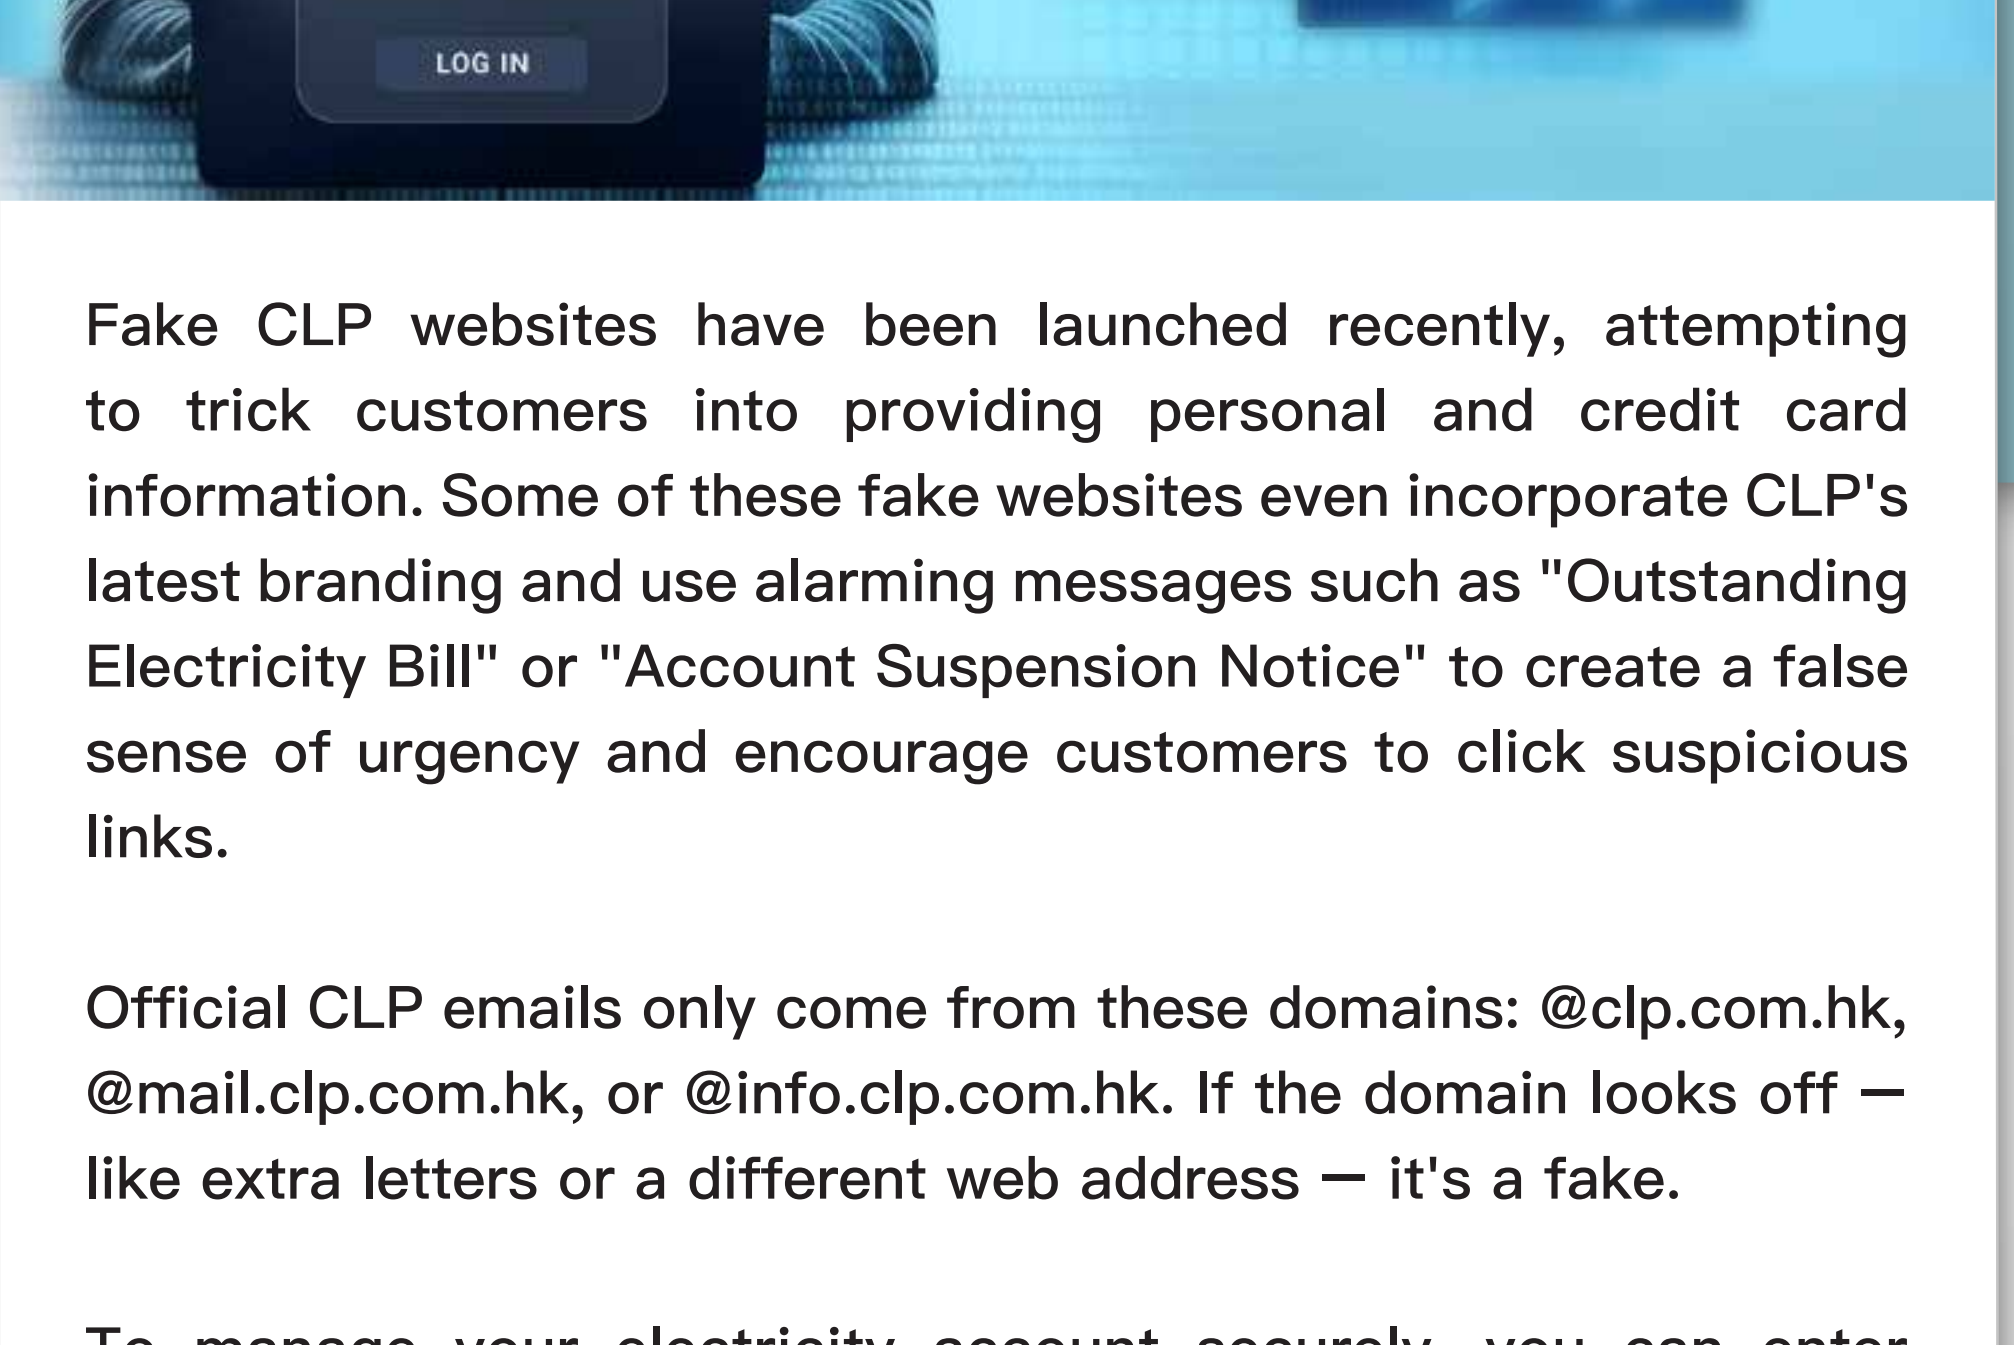

Daily Quiz: Learn as You Play

Take on a new quiz every day and pick up useful knowledge about cognitive health and brain care. The questions are simple and easy to follow, helping you learn practical tips in a light and enjoyable way.

Cyber Security Information

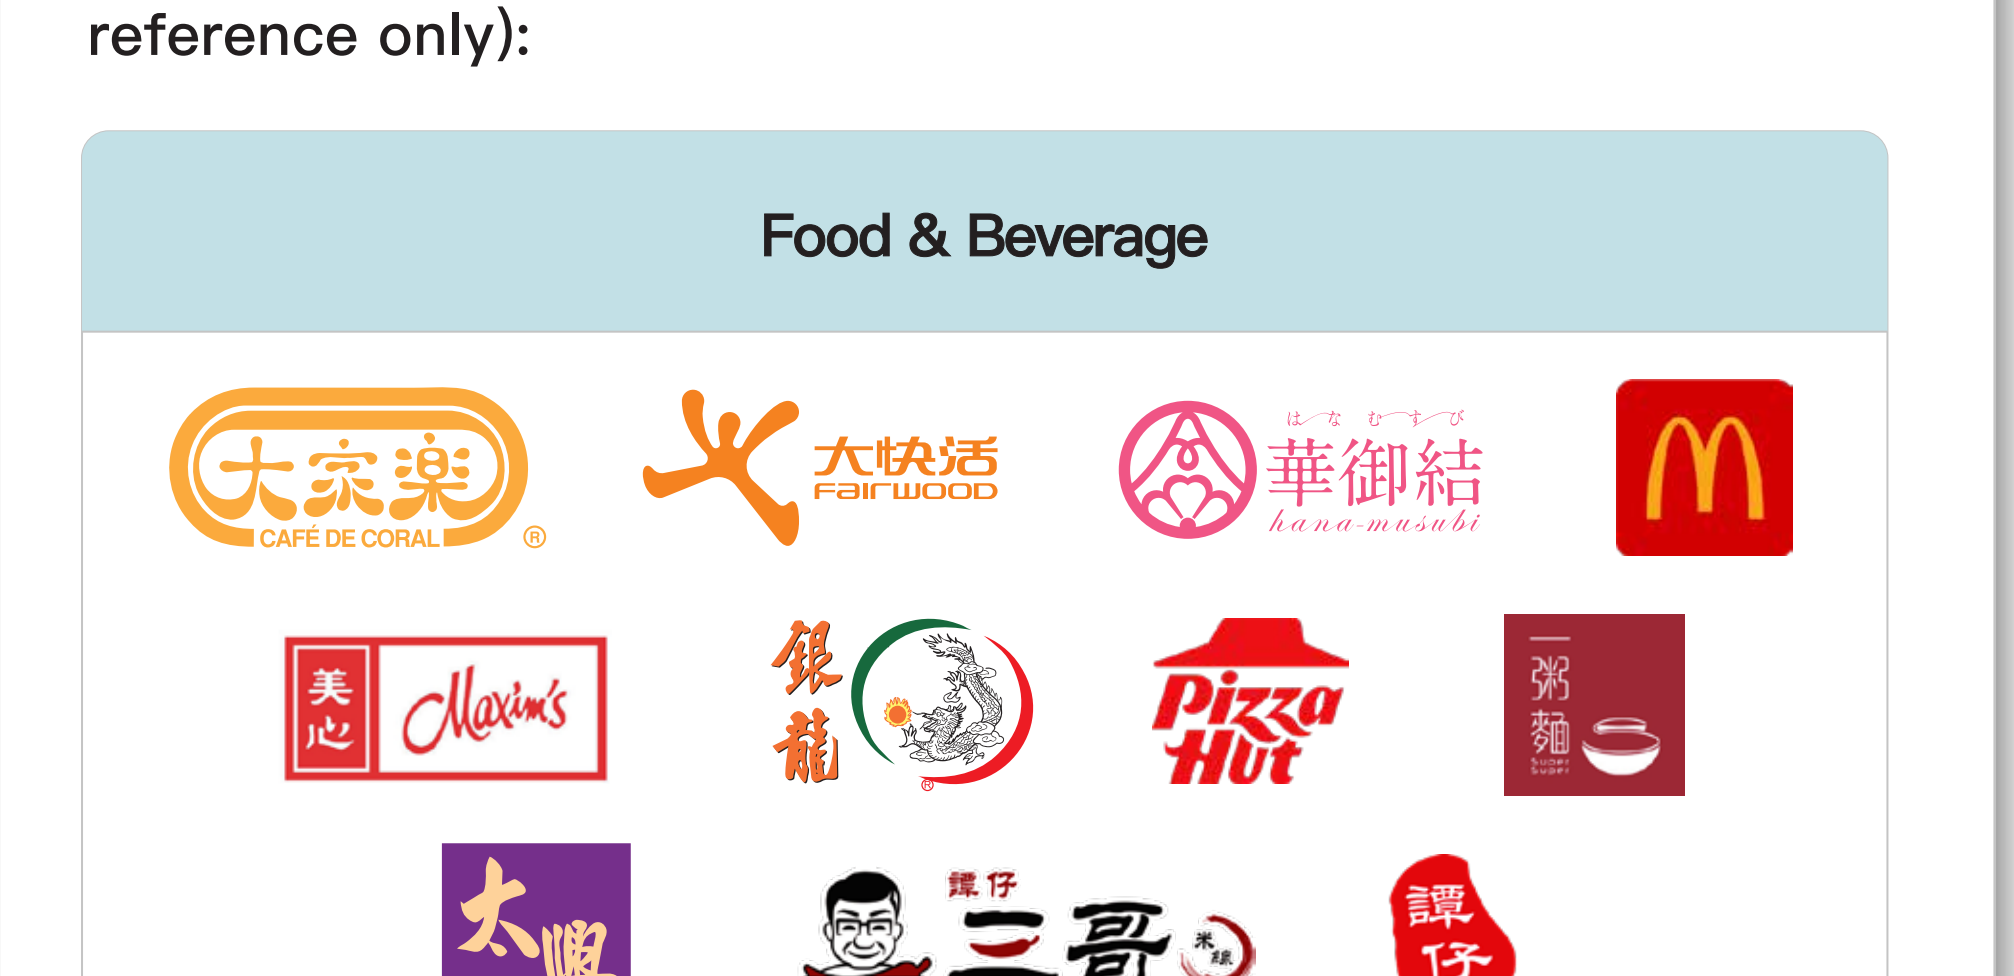

Fake CLP websites have been launched recently, attempting to trick customers into providing personal and credit card information. Some of these fake websites even incorporate CLP's latest branding and use alarming messages such as "Outstanding Electricity Bill" or "Account Suspension Notice" to create a false sense of urgency and encourage customers to click suspicious links.

Official CLP emails only come from these domains: @clp.com.hk, @mail.clp.com.hk, or @info.clp.com.hk. If the domain looks off – like extra letters or a different web address – it's a fake.

To manage your electricity account securely, you can enter CLP's official website address directly into your browser: <https://www.clp.com.hk/>. Avoid accessing CLP services through unknown links. To view your electricity bills, make bill payments, or manage your account information, please use the CLP App or the official CLP website. You may also enable push notifications in the CLP App to receive timely account alerts and service updates.

If you are unsure about the authenticity of any message, email, or SMS claiming to be from CLP, please verify it before taking any action. You can contact CLP Customer Service at 2678 2678 or email [csd@clp.com.hk](mailto:csd@clp.com.hk) for assistance. Alternatively, you can use the Digital Ambassador Power Kid, the virtual assistant available on the CLP website and CLP App, to get in touch with our customer service officers.

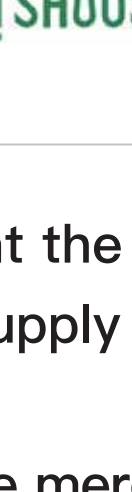

Stay vigilant and verify before you act. A little extra caution can go a long way in protecting yourself from scams.

CLP Activity Highlights

The CLP Retail & Catering Coupons Programme not only supports the community, but also helps drive business for merchants, contributing to local economic development. The programme covers over 4,000 participating retail & catering outlets<sup>^</sup>, including retail stores, restaurants, supermarkets and household goods stores etc., encouraging consumer spending while creating more business for SMEs and local merchants. This, in turn, promotes economic circulation and creates a win-win-win outcome for beneficiary households, merchants and the wider community.

All Things Low Carbon

The CLP x My Treelings "Paperless Love" AI Treelings Contest has officially ended! Over 380 Hong Kong primary school students used AI to unleash their creativity, weaving themes of supporting eBills, treasuring resources, and caring for our planet into imaginative "Paperless Love" worlds.

After evaluations from our expert judging panel and public votes, the "AI Treelings Grand Award" and the "My Favourite Treelings" Public Vote Award are now decided. The winning entries are wonderfully diverse – some are wildly imaginative, others warm and heartfelt – and it's clear that every young participant has their own unique perspective on environmental issues.

Winning Creations Now in the Game!  
What's more, the "AI Treeling Grand Award" winning designs have been developed into brand new Treelings and will officially appear in the My Treelings game from 1 August to 31 December. Players can collect these special Treelings in the game, spreading the creativity and green stories even further!

This contest has received wonderful support from children, parents, and teachers alike. We believe that "Paperless Love" is more than just a theme – it's a lifestyle we can all embrace and promote.

CLP Rewards

Summer's here, and we all want to save on energy bills and everyday spending! You can now earn even more rewards just by paying your electricity bill with your phone – whether you're a fan of BoC Pay+, AlipayHK, or Fubon+, there's an offer waiting for you. Let's dive in and see how to get the most out of it!

New Users Earn Rewards with BoC Pay+

From now until 30 September 2026, pay your CLP electricity bills via BoC Pay+ and enjoy exclusive rewards.
