CLP Smart Energy Award

Let's Keep Supporting Green Energy Together

Make your contribution to the fight against climate change. **Simply make a pledge** to support environmental conservation and get the chance to **win a fabulous gift.**

Act now

Recognising Supporters of Renewable Energy

The annual Smart Energy Award programme recognises the outstanding performances of businesses and organisations behind ingenious energy-saving and carbon reduction initiatives. Award winners have implemented innovative renewable energy measures and demonstrated their support for clean energy. We encourage more businesses and organisations to embrace energy conservation and work together for a low-carbon future.
