

## Electrical Equipment Upgrade Scheme

Provides subsidies for business customers to replace electrical equipment with more energy-efficient models.

**\$ Subsidy ceiling per electricity account**

Non-residential customers  
**HK\$10,000\***

Bulk tariff and large power tariff customers  
**HK\$150,000\***

### Subsidy Amount for Eligible Electrical Equipment

**LED Light Bulbs / Downlights**

**HK\$20** each or **80%** of the unit price, whichever is lower.

**LED Tubes / Lights Strips / Panel Lights**

**HK\$60** each or **80%** of the unit price, whichever is lower.

**Air-conditioners** (Single package type / split type) with **Grade 1 energy label<sup>†</sup>**

**HK\$1,000** each or **80%** of the unit price, whichever is lower.

**High Energy Efficient Air-conditioning System**

(not under Mandatory Energy Efficiency Labelling Scheme (MEELS))

This subsidy is awarded in a one-off payment and is based on the estimated annual energy saving. (HK\$0.5 subsidy for each kWh saved)

**Other Equipment with Energy Saving Feature**

(such as variable speed drive, inverter, heat recovery system or equivalent technologies, etc)

This subsidy is awarded in a one-off payment and is based on the estimated annual energy saving. (HK\$0.5 subsidy for each kWh saved)
