Saving energy can help you save money, protect the environment, as well as help the needy! By combining energy conservation with community care, the **Power Connect** programme invites you and your family to join hands with CLP to **Save Electricity**, get rewarded and help spread love and positive energy all year round.

Love • Save Energy

Simply Save energy and participate in various activities all year round, including the Summer Energy-Saving Rewards, Eco Fun and registering for eBill Notification, to earn **Eco Points** for redeeming fabulous rewards.

Love • Save Energy

The programme also provides electricity subsidies to the disadvantaged every year to help them reduce energy and making energy-saving even more meaningful. Take part in Connect Activities and join us to support those in need.

Connect Activity Highlights

Anewtoys

Under the guidance of instructors, Power Connect customers and beneficiaries gathered to make toys with common environmentally-friendly materials. With a touch of creativity, every piece of toy was unique.
