InnerGlow 2023

Following the enormous public success of the first *InnerGlow* in September 2022, CLP Group (CLP) will continue to support Tai Kwun's *InnerGlow* in January 2023 as Principal Sponsor. This engrossing project takes on a deeper dimension as some of Hong Kong's brightest and most original talent together with the Creative and Technical Partner, The Electric Canvas, devises and creates an entirely new programme for January 2023.

InnerGlow 2023 will take audiences into an entirely different world in which the pure architecture of Tai Kwun becomes the main player in a series of abstract themes which play with and animate the building itself to such an extent that all of those imposing classical architectural elements are transformed, morphed and choreographed right before our (disbelieving) eyes. The show will make references to familiar Hong Kong images and moods, ranging from fireworks and traditional festivities to the unique handwriting of Hong Kong neon, and at times will defy the very the foundational logic of our building's geometry.

綻放大館2023

繼 2022年9月份的第一季「綻放大館」取得巨大成功後，大館將於2023年1月呈獻全新一季「綻放大館」，中電集團（中電）再次成為首席贊助，為公眾帶來更璀璨耀眼的光影匯演！這項表演由創意和技術合作夥伴 The Electric Canvas 與一群本地藝術家攜手合作，繼續以嶄新的演繹方法，震撼視覺張力！

「綻放大館2023」匯演將帶領觀眾進入截然不同的世界，讓觀眾隨光影牽領到虛幻世界，大館建築物將成為主角，由流動的光影賦予建築物盎然生氣，展現出一系列氣勢磅礴的古典建築元素，在觀眾眼前顯得活靈活現、繪聲繪色。匯演中，光影的動畫將在現實與虛幻之間，以幻影扭曲建築的幾何原型，同時為觀眾回顧香港的特色與情懷，從煙花、傳統節慶到霓虹燈的蹤影皆一一盡現。
