

## Continuing Professional Development Courses

The following two technical visits as Continuing Professional Development (CPD) courses delivered by our experienced professionals will enrich your knowledge in power generation, transmission, distribution and supply.

Target Participants : General Public (Participants aged under 16 must be accompanied by an adult)

Fee : HK\$280 per person (including two visits)

Language : Cantonese supplemented with English

Certificate : A CPD certificate will be issued to each participant after each visit

Souvenir : A miniature version of CLP Emergency Service Van will be presented to those who completed two visits (The offer of the souvenir is subjected to availability and may be changed from time to time.)

Quota: 40 (Registration will be on a first-come-first-serve basis. Successful enrolment will be notified by email.)

### Technical Visit 1: CLP Castle Peak and Black Point Power Stations

**Date:** One Saturday in each quarter

**Time:** 8:30am - 12:30pm (4 hours)

**Assembly point:** Tuen Mun MTR Station (Round trip shuttle bus service provided between Power Stations and Tuen Mun MTR Station)

#### Highlights:

- To understand operation of power stations and the generation process
- To understand power stations' major equipment and emission control facilities
- To visit ElectriCity

### Technical Visit 2: CLP Power Systems

**Date:** One Saturday in each quarter

**Time:** 9:00am - 12:00nn (3 hours)

**Assembly point:** CLP Power Shatin Centre, 6 On Lai Street, Shek Mun, Shatin

#### Highlights:

- To understand electricity supply chain from generation, transmission and distribution to low-voltage supply to customers
- To understand power quality, supply reliability, interconnections and metering
- To visit training workshops of high-voltage and low-voltage switchgear, high-voltage and low-voltage cables, also overhead line systems
- To experience how to operate high-voltage switchgear
- To visit InnoPower Hall of CLP Power Academy

To enroll, please scan below QR code:

Details will be sent to successful applicants at least 3 working days before the visit.

For course information, please visit CLP Power Academy website.

For enquiries, please contact Ms. Karina Chan of CLP Power Academy.
