- 1.1 For application and add or delete child account, please fill in individual account number.
- 1.2 Group Billing Service will take effect in approximately 6 weeks.
- 1.3 Please complete and return this form to CLP Power
 - By mail to Customer Care Team, CLP Power Hong Kong Limited, 13/F, Shatin Centre, 6 On Lai Street, Shatin, N.T, Hong Kong.; or
 - At any CLP Power Customer Service Centre during office hours.

2. TERMS & CONDITIONS GOVERNING GROUP BILLING SERVICE

2.1 Requirements of Group Billing

- There must be at least 5 electricity accounts in the name of the same registered customer.
- Customer agrees to abide by the Terms & Conditions Governing Group Billing Service and the Supply Rules published by CLP Power from time to time.
- For new application and application to add accounts, if the name of the customer of an individual account is different from the name of the customer of the Group Billing account, the application will be accepted only after change-of-name for the individual account in question has been processed.
- The service is not applicable for customer with multiple electricity groups on 1 bill.

2.2 Group Billing Process

- The charges of individual accounts are consolidated in one group bill by aggregating the charges of all individual accounts and no change is made to the applicable tariff rates.
- All accounts are billed up to a set cut-off date, on actual and projected electricity charges.
- The same due date will apply to payment of all individual accounts.
- Customers will be notified by an email notification upon group bill is issued and for you to log on CLP Online to view the billing details. CLP Power will not send hard copy bills to group account and its child accounts.
- One month advance notice is required for an application for addition/deletion of any individual/group accounts.
- Before adding or deleting child accounts, the relevant child accounts balance must be zero.

2.3 Projected Electricity Charges

- Projected electricity charges are calculated based on customer's past or expected electricity charges.
- The cut-off billing date should be mutually agreed by the customer and CLP Power
- The total amount due in the group bill will include projected and actual consumption charges.
- No projection is made for maximum demand (kVA) for Bulk Tariff and Large Power Tariff accounts.

2.4 Payment

- Payment of total charges are settled on or before the due date of the group bill.
- On default of payment by the due date, an additional 5% late payment charge on the actual charges of all accounts shall be payable.
- Electricity supply to all individual accounts will be disconnected if payment is not received by the due date.
- Credit card autopay service is not applicable to Group Billing account.

2.5 Disputes of Charges

- Total charges shall still be settled on the due date shown on the group bill. Any credit/debit adjustment will be made in the subsequent group bill, based on the result of investigation.
- Any accounts in dispute will be excluded for billing from the next group bill until they are resolved.

2.6 Cash Deposit

- Cash deposit will be maintained in the respective individual accounts whereas non-cash deposit will be consolidated under the group account.
- CLP Power will review the total deposit annually to determine its adequacy to meet the normal requirement and in the normal course of events the deposit will not exceed the highest expected charge on all accounts for 60 days.
